

Hazen Figure Skating Club

Code Of Conduct

The Hazen Figure Skating club supports a zero tolerance policy for unsportsmanlike behavior. It's members, coaches and parents should continually raise the standard of behavior both on and off the ice.

Membership in the Hazen Figure Skating Club (HFSC) is a privilege and should carry a sense of pride. Participation in programs offered will require that members and parents accept certain responsibilities.

Member responsibilities:

- I will not verbally or physically abuse any of my fellow members, other HFSC members, HFSC officials, club board members, volunteers, or coaches.
- I understand that poor sportsmanship, on or off the ice, will not be tolerated.
- I will read and follow the code of conduct provided by the HFSC.

Parent/Guardian responsibilities:

- I will encourage sportsmanship by showing positive support for all members, coaches, board members, club officers and other officials during all on and off ice sessions.
- I will encourage my child to treat all other members, coaches, board members, club officers, and other member's parents with respect.
- I will refrain from coaching my child or 'manipulating' other members during any on or off ice time.
- I will not verbally, mentally or physically abuse any club members (including my own child), coaches, club officers, officials, or any other club volunteers.
- I will represent myself positively and will not undermine the authority of coaches, club members, club board members or officers, officials or other club volunteers.
- I will read and follow the code of conduct provided by HFSC.

Course of Action:

Should a parent or member not adhere to the above the HFSC will hold the member and/or parent accountable and the board of directors is empowered to take necessary action. Actions taken by the board of directors may range from verbal or written warnings to the parent or member, to hearings before the board of directors leading to suspension or expulsion from the HFSC. The severity of the actions taken by the board of directors will be proportionate to the severity of the violation. All decisions of the board of directors are final and binding.
