

## HFSC Covid-19 Policy

The Hazen Figure skating club has updated it's Covid-19 policy for the 2021-2022 season. The policy is as follows:

1. Do not come to the rink if you are ill with any of the symptoms of Covid-19. A list of these symptoms can be found on the DoH website.  
<https://www.health.nd.gov/diseases-conditions/coronavirus>.
2. If you have tested positive for covid-19 you must notify the HFSC board and the appropriate coaching staff. Per the DoH you should also notify any close contacts.

If you have any questions about Covid-19 and general guidelines, or if you are unsure whether you need to isolate, we recommend that you consult the DoH.

If you have any questions about the policies above please contact the HFSC board.
